

Adaptive Layout

Constraints

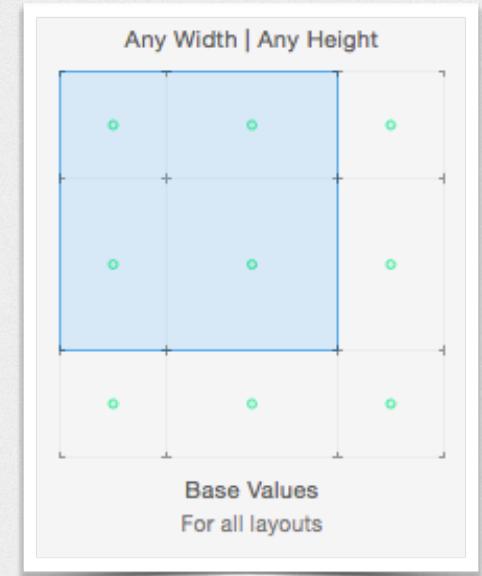

raywenderlich.com

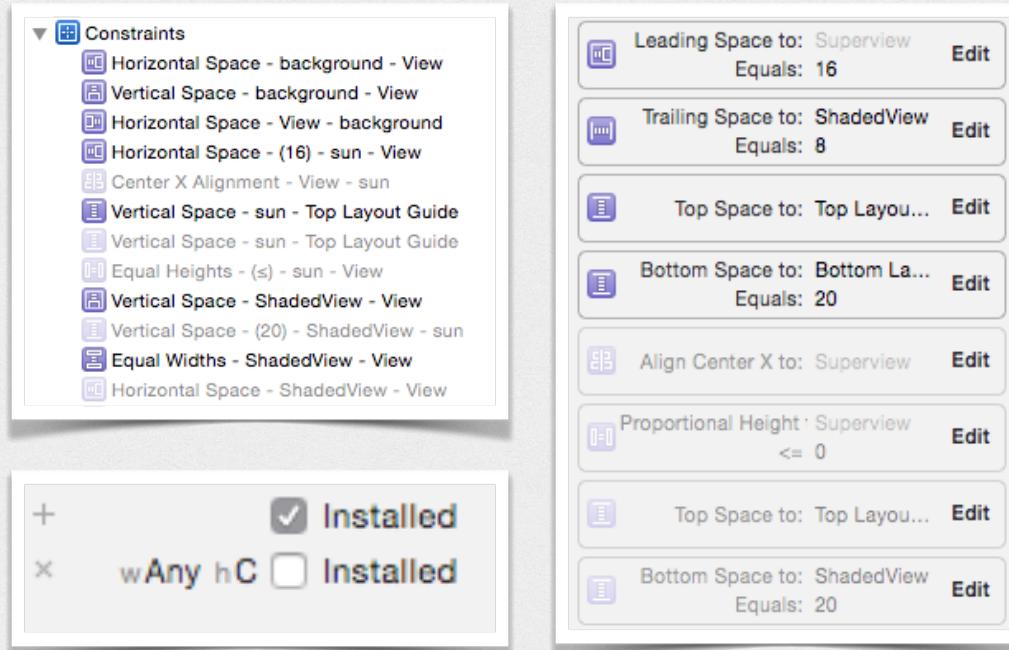

raywenderlich.com

Base Layout

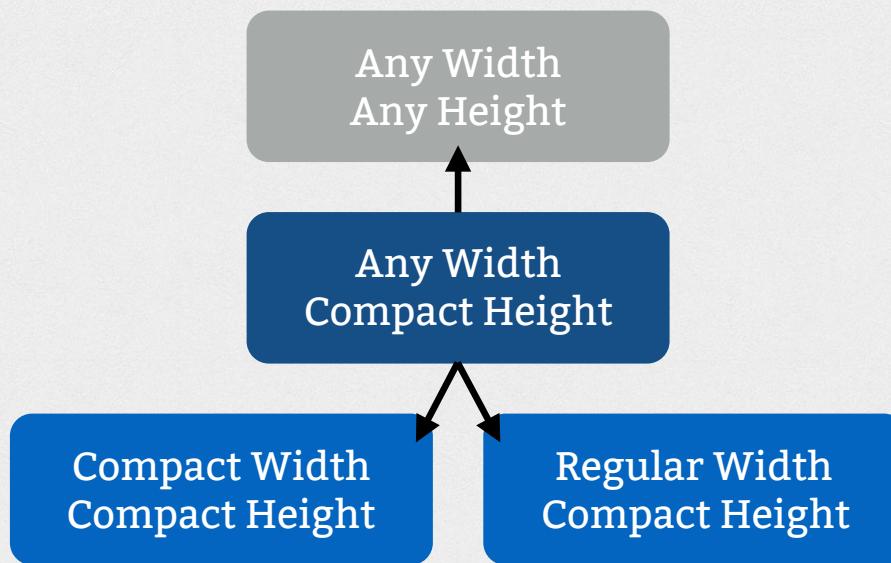

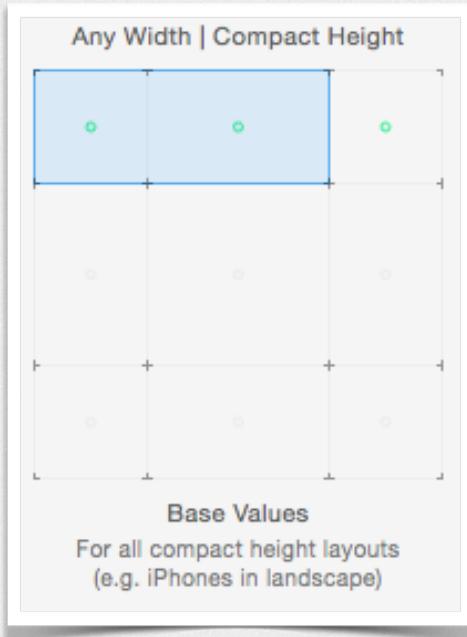

- ⚙️ Keep as many things as possible in base layout
- ⚙️ Have fewer, very specific things in specific size classes

Uninstalling Constraints

Installing Constraints

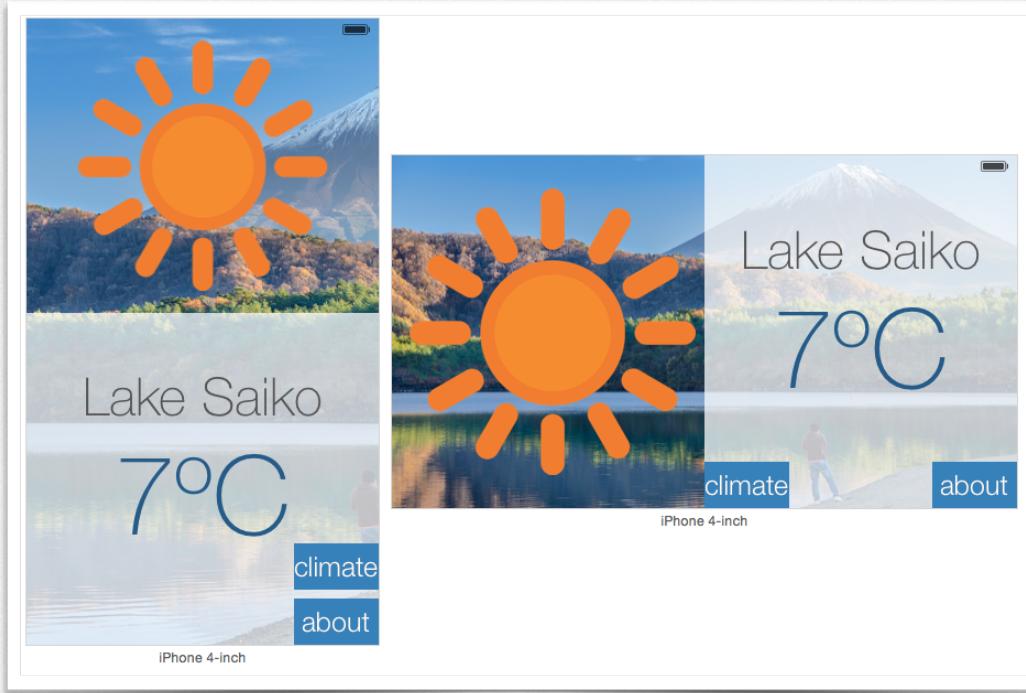

Demo

- ⚙️ Switch to a more specific size class
- ⚙️ Uninstall unneeded constraints
- ⚙️ Position and re-size views
- ⚙️ Add new constraints

Challenge Time!
